"Thank you for your warm hospitality and friendliness. This was the perfect place for us to stay. We loved the quiet, the views from the porches and time to relax. Thank you for your generosity and ministry to missionaries."

"Thank you so much! As I sit here with my coffee looking out at the beautiful woods and the swings and creek that have kept our kids busy and having fun these 3 weeks, I am just so thankful for this place. Support-raising has been good for us in so many ways, but it is also quite exhausting at times! As we've traveled and visited churches I cannot tell you how much of a blessing it is to come back to a 'home' each day- a place where we can relax, regroup and spend some time together as a family. Snows Mill is a wonderful ministry and a huge blessing, so thank you for all you do for us!"
God bless, The Grants
