A Missionary's Getaway...

This charming guesthouse for missionaries is located on 10 wooded acres just east of Atlanta, Georgia.

Our guests can stay for no charge, for a few nights or up to one month, providing them a quiet place to rest in the midst of a busy and many times stressful home assignment back in the United States.

MISSIONARY CARE MINISTRY

Our Mission

To partner in reaching the lost for Christ throughout the world by providing a guesthouse for missionaries, aiding in their need for rest & refreshment so they are physically, spiritually, and emotionally better able to minister to the needs of others.

We have three lovely guest bedrooms located on the top floor of the guesthouse as well as a full sunlit basement apartment with three bedrooms.

For more information please visit our website where you can check current availability as well as place reservations.
